POST OFFICE BOX 463

WASHINGTON 4, D. C.

22 March 1955

The Board of Directors  
GEHA, INC.

Gentlemen:

I herewith tender my resignation as Secretary of  
GEHA, INC., requesting that the same be accepted by your  
body.

The reason underlying this request is that I feel,  
in view of the great expansion which has taken place  
within GEHA, that the Board of Directors, as well as our  
membership, will be better served by distributing the  
duties of Secretary and Treasurer to two individuals  
rather than one. It is also evident that naming my  
Deputy Branch Chief, Mr. [REDACTED], as  
Secretary, if it is the will of your Board to so do,  
will add strength to the official staff of your corporate  
body and also assure continuous expediting of actions in  
the event of illness or annual leave which may be taken  
by either the Secretary or Treasurer.

Thanking you for your consideration in this matter,  
I am

Very truly yours,

[REDACTED]

The Board of Directors in session on 22 March 1955 accepted  
Mr. [REDACTED] resignation in the face of his recommendation for  
him to retain the position of Treasurer and to appoint  
[REDACTED] as Secretary.

[REDACTED]  
Chairman of the Board
